### Notes:

- (1) GAP products will not always comply with sand equivalent and/or weathering resistance requirements of NZS4404 1981. Where these factors are important or necessary, technical advice is available from Winstone Aggregates Customer Service.
- (2) Resource for Scalplings (SCALP) is diminishing and these products are therefore subject to availability.
- (3) DRAIN25 is subject to availability.
- (4) Please give Flat Top quarry advance notice of your large rock and Breaker Rock requirements so they can be produced.
- (5) Brown produces are summer season only products, please enquire before ordering.
