

Ashford Park

2016 Annual Gravel Extraction Report

1 September 2016 – 31 October 2016

**Prepared by GBC Winstone in general accordance with Condition 12 of
Resource Consent WGN160103 [33757]**

Introduction

This annual report is prepared in general accordance with 12 of GWRC Resource Consent WGN160103 [33757].

Condition 12 states:

“The consent holder shall provide a report detailing the amount, location and extent of gravel extraction, including plans and cross sections, the Manager, Environmental Regulation, Wellington Regional Council, by 1 November each year.”

Extraction at Ashford Park commenced 1 September 2016¹. This report covers the period 1 September 2016 – 31 October 2016.

1.0 Amount Extracted

Over the period 1 September 2016 – 31 October 2016 9,741 m³ of gravel was extracted from Ashford Park.

2.0 Location and Extent of Extraction

Please refer to Appendices A and B for the depth and location of extraction between 1 September 2016 – 31 October 2016. The pit floor had been excavated to a depth of 3.18m on 31 October 2016. This depth is above the current groundwater table.

¹ Some testing of material occurred in the period 1 June 2016 – 31 August 2016 however extraction for production only commenced 1 September 2016.

APPENDIX A – DEPTH OF EXCAVATION

APPENDIX B – LOCATION OF EXCAVATION
