**NAME:** .....

In this section, you are presented with blocks of three statements. Your task is to choose the one which you think is MOST TRUE (or typical) of you in your everyday behaviour. The choices may be difficult to make, but please be as truthful as possible as your answers may be discussed in more depth at the interview.

Please indicate your answers by circling one of the following options A, B or C.

I am the sort of person who...

- |           |  |           |  |
|-----------|--|-----------|--|
| <b>1</b>  | A is good at coming up with new ideas                    | <b>11</b> | A enjoys methodical work                               |
|           | B enjoys negotiating with others                         |           | B likes change and challenges assumptions              |
|           | C analyses people's behaviour                            |           | C prefers working alone                                |
| <b>2</b>  | A shows artistic flair                                   | <b>12</b> | A rarely gets stressed                                 |
|           | B enjoys achieving difficult targets                     |           | B goes along with team decisions                       |
|           | C mends things when they go wrong                        |           | C is good with detail                                  |
| <b>3</b>  | A rarely feels uptight                                   | <b>13</b> | A can ignore an insult                                 |
|           | B prefers working with others to solve problems          |           | B respects authority                                   |
|           | C appreciates culture                                    |           | C sets myself challenging targets                      |
| <b>4</b>  | A keeps cool under pressure                              | <b>14</b> | A is humorous  |
|           | B is well disciplined                                    |           | B focuses on the big picture when faced with a problem |
|           | C finds that anything I do, the buck stops with me       |           | C can switch off easily from work                      |
| <b>5</b>  | A can spot trends in figures                             | <b>15</b> | A takes responsibility for my own actions              |
|           | B motivates others to achieve challenging goals          |           | B enjoys travelling to foreign countries               |
|           | C perseveres with the routine                            |           | C is tough skinned                                     |
| <b>6</b>  | A copes well in formal situations                        | <b>16</b> | A is meticulous  |
|           | B sets my sights high and focuses on completing tasks    |           | B arrives at quick conclusions                         |
|           | C is the life and soul of the party                      |           | C sets ambitious targets                               |
| <b>7</b>  | A enjoys taking original approaches to problems          | <b>17</b> | A avoids loud outbursts                                |
|           | B adopts a practical approach                            |           | B looks to others for inspiration                      |
|           | C is interested in cultural activities                   |           | C makes suggestions for new ways of doing things       |
| <b>8</b>  | A likes to work on one project at a time                 | <b>18</b> | A prefers to work diligently in the background         |
|           | B finds it difficult to work if I haven't planned well   |           | B anticipates problems before they're overwhelming     |
|           | C sticks with a task and sees it through                 |           | C appreciates artistic design                          |
| <b>9</b>  | A takes a methodical approach                            | <b>19</b> | A remains cheerful despite setbacks                    |
|           | B finds that in a group others look to me for motivation |           | B personally checks all information                    |
|           | C is fairly sensitive about criticism                    |           | C can express a point of view well                     |
| <b>10</b> | A is a good listener and builds on the ideas of others   | <b>20</b> | A enjoys meeting new people and working with others    |
|           | B enjoys physically demanding activities                 |           | B shows appreciation for nature                        |
|           | C enjoys dealing with facts and figures                  |           | C leaves completion of routine tasks to others         |
