.....

Past Land Use of Site Residential Horticultural Industrial
 (Tick as many as apply) Agricultural Other

Has this material been assessed for the presence of contamination? Yes No

If yes above, have you attached the relevant reports/test results? Yes No

Are these works associated with remediation of a contaminated site? (please describe)

.....

.....

Are there any known hazardous substances present in the material or safety and handling instructions?

.....

.....

Section 4: Drivers Code of Conduct relevant for all transport to Three Kings

The Three Kings site is located in a busy residential area. Therefore your assistance in helping us be a good neighbour is most appreciated. You can do this taking into consideration the following items when planning to use this site:

- Operating hours are Monday to Friday 0700-1700 and Saturday 0700-1400
- Trucks are not to arrive before 0700 and at no time of the day are they to queue or park outside the site
- Only main routes are to be used to and from the site - St Andrews Rd (which runs parallel to Mt Eden Rd) is prohibited
- Loads are to be covered to avoid dust nuisance (or alternative i.e. maintaining damp loads)
- No engine brakes are to be used around the site
- There are two schools located in the area and if possible deliveries between 0830-0930 and 1430-1530 are to be avoided.
- Drivers coming to the site are to be briefed on these items and issued a Drivers Code of Conduct Card. This induction can be done by appointment prior to using the site or it will be done on first entry.

These items are based on our consent requirements and are detailed in our Traffic Management Plan (TMP). The TMP and all other management plans can be viewed onsite by contacting us on 09 625 7854 and making an appointment or online at: <http://threekingsquarry.co.nz/>

Section 5: Declaration

The information provided is true and accurate as of the date signed below. I have read and understood the details of Section 4 above.
